

STATEMENT OF PURPOSE

RS19729C1

This legislation requires each local school district in the state to adopt and file an internet use policy with the state superintendent of public instruction. The policy, approved by the local board of trustees, shall require filtering technology that blocks internet materials that are harmful to minors, establish disciplinary measures for violators, and provide a component of internet safety to be integrated into the schools instructional program.

FISCAL NOTE

No negative impact on the General Fund.
